

1.1.19

## Quality Policy

1. Carmex aims to satisfy its clients by meeting their requirements, needs and desires and this while achieving a reasonable profit.
2. The organization operates a quality management system as required by ISO 9001, ISO 13485, ISO14001, ISO45001 FDA 21 Title CFR Part 820 (QSR) and EU MDD 93/42/EEC. The company management is bound to meet all the requirements of the law and ordinances required for its products.
3. The company management encourages overall excellence in the company based upon the integrity of the decision making of all its managers.
4. The quality policy requires knowledge and understanding from every employee.
5. The company management pledges to provide the required budget and staff in order to operate the quality management system and implement the company policy.
6. The company management pledges to develop, implement and improve the effectiveness of its quality management.
7. Relevant measurable objectives and targets will be chosen as a basis to measure the effectiveness of the continual improvement programs.
8. The company policy and targets will be regularly reviewed and revised as needed to meet changing requirements.

Managing Director

Mr. Ilan Cohen
